

## Our Amenities

### **Suites available—**

*Bring in your own booze, with corkage waived. It's your room, do what you want with it. In fact, bring in food, bring in furniture, and some soap, towels, and toilet paper might be nice as well...*

### **20,000 Sq. Ft. of space—**

*10,000 in our holding cell, where lock-down occurs at 9pm each night. You don't need evening events, do you?*

### **The Hole Cafeteria—**

*Where our motto is, you thought that high school food was bad, well, you haven't eaten with us yet. But it's cheap, filling, and you'll notice that we don't have a rodent problem here.*

### **The Bar—**

*There is one. It's "cozy".*

Enjoy our atmosphere in The Hole

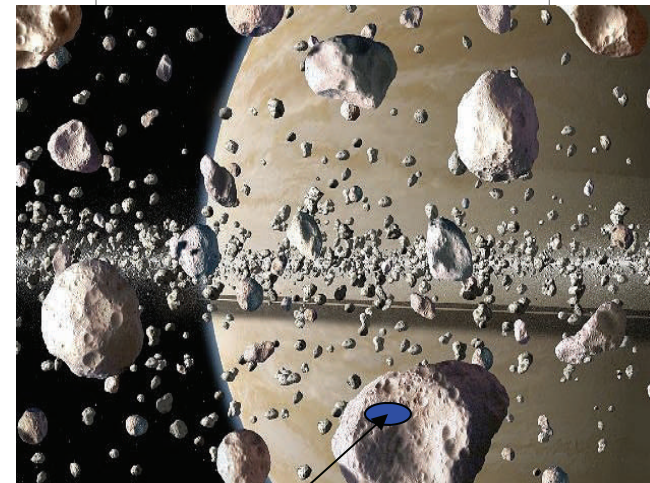

Our Newly Renovated Accommodations...

## Saturn Ring Mining Co. Adjustment Center and Residence Inn

*A Wholly Owned subsidiary of Microsoft and the US Gov't*

## Saturn Ring Mining Co. Adjustment Center and Residence Inn

*Make yourself at home, and prepare to stay for awhile...*

Third asteroid on the left, and straight on 'til morning

## Spacious Accommodations Await You

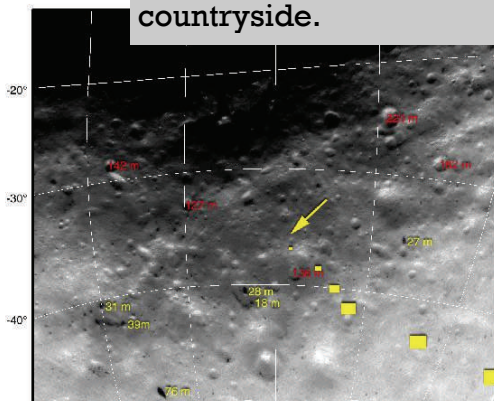

Imagine Your Hospitality Suite Here...

We offer 20,000 Sq Ft. of meeting space as well as 175 fine sleeping rooms. They aren't as fancy as our suites, but at a price of \$99/night for all the people who fit, it's great.

If you do not fit into the main hotel there are two overflow hotels available for \$79/night. They are across the heavily traveled Rings of Saturn spaceway and can be reached by our shuttle service, which runs periodically.

Enjoy the splendor of the surrounding countryside.

We offer Special Activities for the Kids
